

## PANELIST FACT SHEET

This is a quick questionnaire to help us best place people on panels. While we hope to fit everyone on something, sheer numbers dictate that not everyone who would like to do a panel will, but we will do our best to accommodate as many people as we can. Also, we will try to accommodate times and days of panels as best we can, but again, this plays into scheduling upwards of 400 people so we will do the best we can.

Authors are not the only people on panels. If you aren't an author only fill in what applies to you.

We will also need a short (100 word or less) Bio and a 2" x 2" photo emailed to [Jon@crimespreemag.com](mailto:Jon@crimespreemag.com)
